Penthouse in Marbella Ciudad

Beautiful 3 bedroom penthouse in Marbella, with large terrace overlooking the sea, just 100 meters from the beach. Upon entering the property we find a bright independent and fully equipped kitchen, a hallway leads to the living room area that accesses a terrace, where we find the stairs that access the large upper terrace of about 75 m². From this beautiful terrace we have stunning panoramic views to the harbour, the sea and the mountain. It has a very spacious master bedroom with beautiful views to the harbour, another bedroom and a room that can be used as a bedroom, office or dining room. The whole penthouse is very bright and well kept. Its location is perfect, close to the Quirón clinic and the fishing port, with all amenities around and within walking distance to the old town and the centre.
